

Please don't rely on Google Maps to find our exact building.

From 595 you can take Flamingo south and make right (heading west) on Griffin.

At the very first light take a right, over the bridge, onto Orange Drive.

From 75 you can travel east on Griffin to the light right before Flamingo, make a left and go over the bridge, onto Orange Drive.

(our building will be directly in front of you)

Make a left on Orange and the first right you will drive into our complex, around a large fountain.

Our building is the building closest to Griffin and Flamingo 12401. It is highlighted in Yellow on both the street map and on the satellite map.
